BANNED EMIL DOODLES 2025-30

The Mercantile Division of the Lone Palm Ferry Casino takes great pride in its role in supporting young art students from the Omaha Public Schools as they embark on a journey to rediscover the bold and defiant artists like Lone Palm Ferry Casino's own artist in residence, Emil, who emerged as powerful force in the avant-garde doodle art movement during a tumultuous period marked by significant governmental over reach to challenge artistic free expression. This era, reminiscent of the oppressive climate of the mid-1930s, saw many creative minds grappling with the constraints imposed by societal expectations and the pervasive culture of self-censorship.

Among these artists, Mister Emil, the resident artist at the Lone Palm Ferry Casino, stands

out as an almost solitary figure, courageously voicing his dissent against the prevailing norms of the mainstream art community. While many artists opted to conform in order to protect their social standing and maintain acceptance within polite society, Emil's unwavering commitment to authentic expression serves as a beacon of inspiration for the next generation of artists, encouraging them to embrace their individuality and challenge the status quo.
